

ASTERIA MOVE

Asteria Move is a portable table lamp free of any cords, adding an extra focus to the design and making it easy to move around so the light is where it is needed.

The lamp has a built-in custom LED light with a soft white diffuser that ensures a glare-free light. The sleek design in aluminium and the brass stem going through the lamp offers a tight and sophisticated expression, making Asteria Move a timeless lamp that you will cherish for years to come.

Asteria Move has three light intensity levels that can be adjusted by pushing the button of the lamp base. The battery lifetime is up to 35 hours and it can easily be charge it by placing it on top of any Qi charging unit, like the Unifier from the UIMAGE lighting accessory collection or with the included USB cable.

Asteria Move is available in nine different colours, and the small size and portable design makes it the perfect illumination for all places and occasions.

UMAGE is a Danish word meaning ‘making an effort’, and that’s what we want to do every day. UIMAGE is where beautiful Danish design meets affordability, high-quality materials and a genuine

care for the environment. Nature is the fundamental inspiration for all the designs at UIMAGE, and you’ll notice nature’s presence in the shapes, colours, materials and sometimes even in the functionality of the furniture and lighting.
